Re: Request for Determination & Approval: Minor Modification #4 to 20 Indian Path Wireless Facility (SP 2007-4) Verizon Wireless (Applicant)

Dear Ms. Lavallee

At its meeting on Monday, November 5, 2018, the Planning Board considered the request for minor modifications to the above referenced location and Special Permit as detailed in correspondence to the Planning Board from Jeffrey Barbadora, Real Estate Specialist, Crown Castle, 12 Gill Street, Suite 5800, Woburn, MA 01801, dated October 18, 2018 representing the Applicant.

The Applicant (Verizon Wireless) proposes to remove nine (9) and replace six (6) antennas, add six (6) RRH's (non-antenna), and one (1) Hybrid Cable. There will be no modification to the existing antennas or the tower itself.

After review of the submitted testimony the Planning Board voted unanimously to grant the changes as minor modifications to the above referenced Special Permit in accordance with the provisions of Section 5.8.8 of the Grafton Zoning By-law. All other conditions of the referenced Special Permit remain in full force and effect.

Sincerely,

Joseph Laydon
